

# Beautiful Scar

## Verse 1

Right down the middle  
I was cracked open  
Stretched from within  
Right Down the middle  
I gave in to the music yeah

## Chorus

It's a long and lonely road  
Filled with twists and turns untold  
Beauty scorned by the dark and heated thorn yeah  
Beautiful scar right down the middle

## Verse 2

Right down the middle  
Scorched and burning  
fibers melting  
Right Down the middle  
I give in to a new beginning

## Bridge

Beautiful scar  
Birthplace of my story  
Beautiful you are  
Beautiful scar  
You set me apart beautiful scar
