

Letting It Go

Verse 1

My heart you broke
When you refused to let it go
Forgive and own your part you showed
A crippling ego
We've lost it all
Though we swore we would never part ways
Nor would ever walk away in the face of heartbreak.

Chorus

I am letting it go
Forgiveness is love
So I am letting it go
To be free again
I am letting go
Forgiveness is love
I am letting go to
To love again

Verse 2

I won't hold a grudge
Maybe I am just fooling myself
The searing pain of love withheld is hurting my ego
I will cherish it all
What with love we both created
Though at times we both felt frustrated.
I learned through it all
